Participants Needed!

We are seeking participants for a study regarding KSU’s Quality Enhancement Plan, *It’s About Engagement*. If you have taken a course that includes an engaged learning component, such as an internship, undergraduate research, or service-learning, and you are, at least, 18 years old, you are eligible to participate in this study.

The primary focus of this study is on perceptions, experiences, and outcomes of the QEP and process improvement for future implementation of the QEP. If you agree to participate in this study, you will be asked to anonymously participate in an audio recorded focus group or interview in an available and convenient location that is both confidential and private. This location may include a virtual environment through the use of Microsoft Teams. Your name will not appear on any materials submitted, and materials will be kept confidential at all times. The audio recordings will be used solely for the purposes of analyzing the perceptions, experiences, and outcomes, as well as process improvement, of/for the QEP. The recordings will not be made public in any way. I will be the only person to hear the recordings. This study will be completed in compliance with all federal laws regarding the privacy of student records, including the Family Educational Rights and Privacy Act (FERPA), as well as all policies of the Office of Human Research Protections.

If you would like to participate, visit this website. If you have any questions, please contact the researcher:
